May every soul that touches mine—
Be it the slightest contact—
Get therefrom some good:
Some little grace; one kindly thought;
One aspiration yet unfelt . . .
To make this life worth while . . .

We, as members of the 1952-53 Medinian staff and Junior class, are proud to dedicate this year's Medinian to Miss Nellie Clift.

Miss Clift, one of our most respected teachers and the mainstay of our English department, is everything one could want in a teacher and friend. Firm but tactful, "dogmatic" but understanding, helpful but fostering self-reliance, we feel that she will be fondly rememberd long after we leave the halls of M.H.S.

CLASSROOM

SDUNCE SNATCHES

Classroom

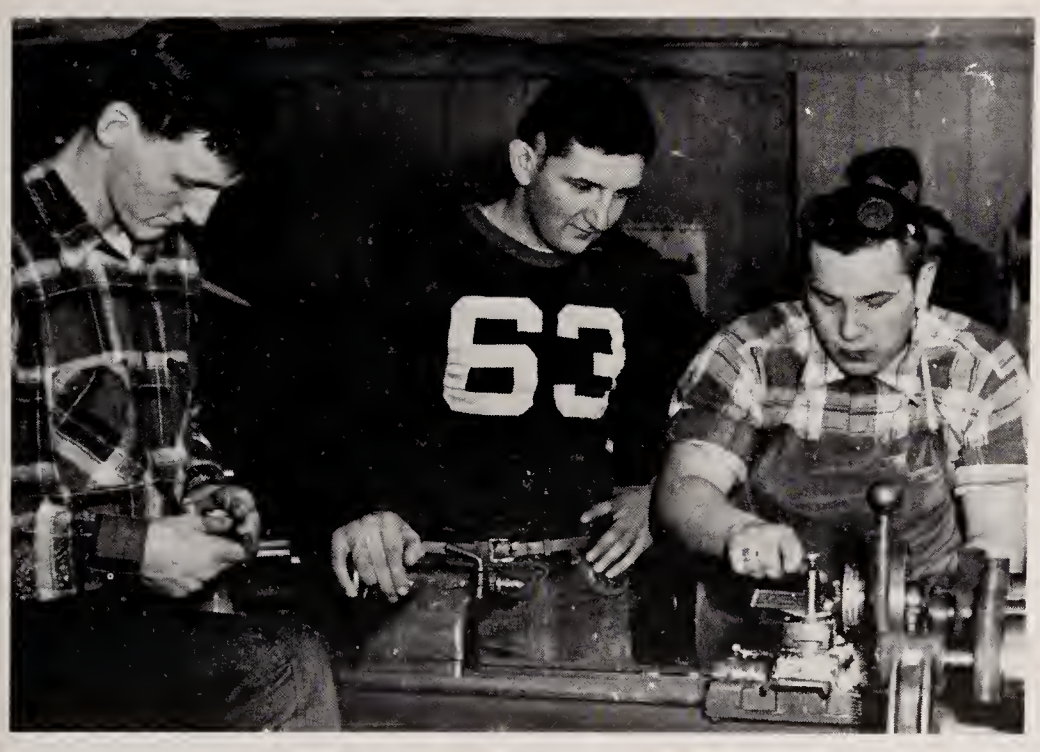
In the biology classes students learn many things by observation and experimentation.

Girls in the home economics classes perfect the arts which will enable them to assume positions as worthy homemakers in the homes of tomorrow.

In woodworking classes a student acquires the technique of making both useful and decorative articles. Incidentally, he becomes a wonderful handyman around the house.

Snatches

From our mechanical drawing classes emerge the architects, carpenters, machinists, and mechanical engineers of tomorrow.



The boys in machine shop learn to work with metals, plastics, and leather. They also learn to use all types of grinding tools and machines.

As a result of the drivers' training classes that are available to Medina's students a practical knowledge of the subject is acquired that is far superior to that received from experience alone.

Election year shows students casting their votes for favorite candidates during the mock election sponsored by Mr. Chaffee's civics class.

During daily typing class Medina's future secretaries and stenographers busily work improving their speed and accuracy, under the guidance of Miss Kadow.

Students passing the chemistry lab any Tuesday or Thursday during the first period get full benefit of the fine aroma created when such things as ammonia and hydrochloric acid are turned loose.

The Y-Teens, affiliated with the Y.W.C.A., have done much this year toward achieving their goal of developing one spiritually. The Y-Teen girls have gone caroling, given both a Christmas and a Lenten worship service, and have sent chocolates to Korea as an additional project.

However, they allowed time out for play when they sponsored a very effective Y-Teen Formal.

The Medinian staff has successfully completed its campaign to bring to the students of M. H. S. a complete and concise scrapbook of the past school year which we hope will contain many pleasant memoirs for you.

We, the staff have many pleasant, if flustered, memories of putting this book together. In our memories are remembrances of heated arguments, mounting sessions, and one late, late night when we worked to beat that dreaded deadline. However, all this has finally resulted in the knowledge of a job well done, as we consider our annual one of the best in recent years.

We would like to thank all you students and teachers who have so pleasantly helped us to make this yearbook possible and we hope you enjoy it now and in the future.

Homecoming

Preceding the homecoming game with Rittman, the Queen, Roberta Leidorf, and her two attendants, Lily Jean Baker and Bea Cronk, were driven around the square in a convertible, driven by the Student Council president, Paul Pease.

Before the start of the game, Roberta presented the football to the co-captains, Dye and Rogers.

At the dance following the game, the queen was crowned, climaxing another very successful homecoming.

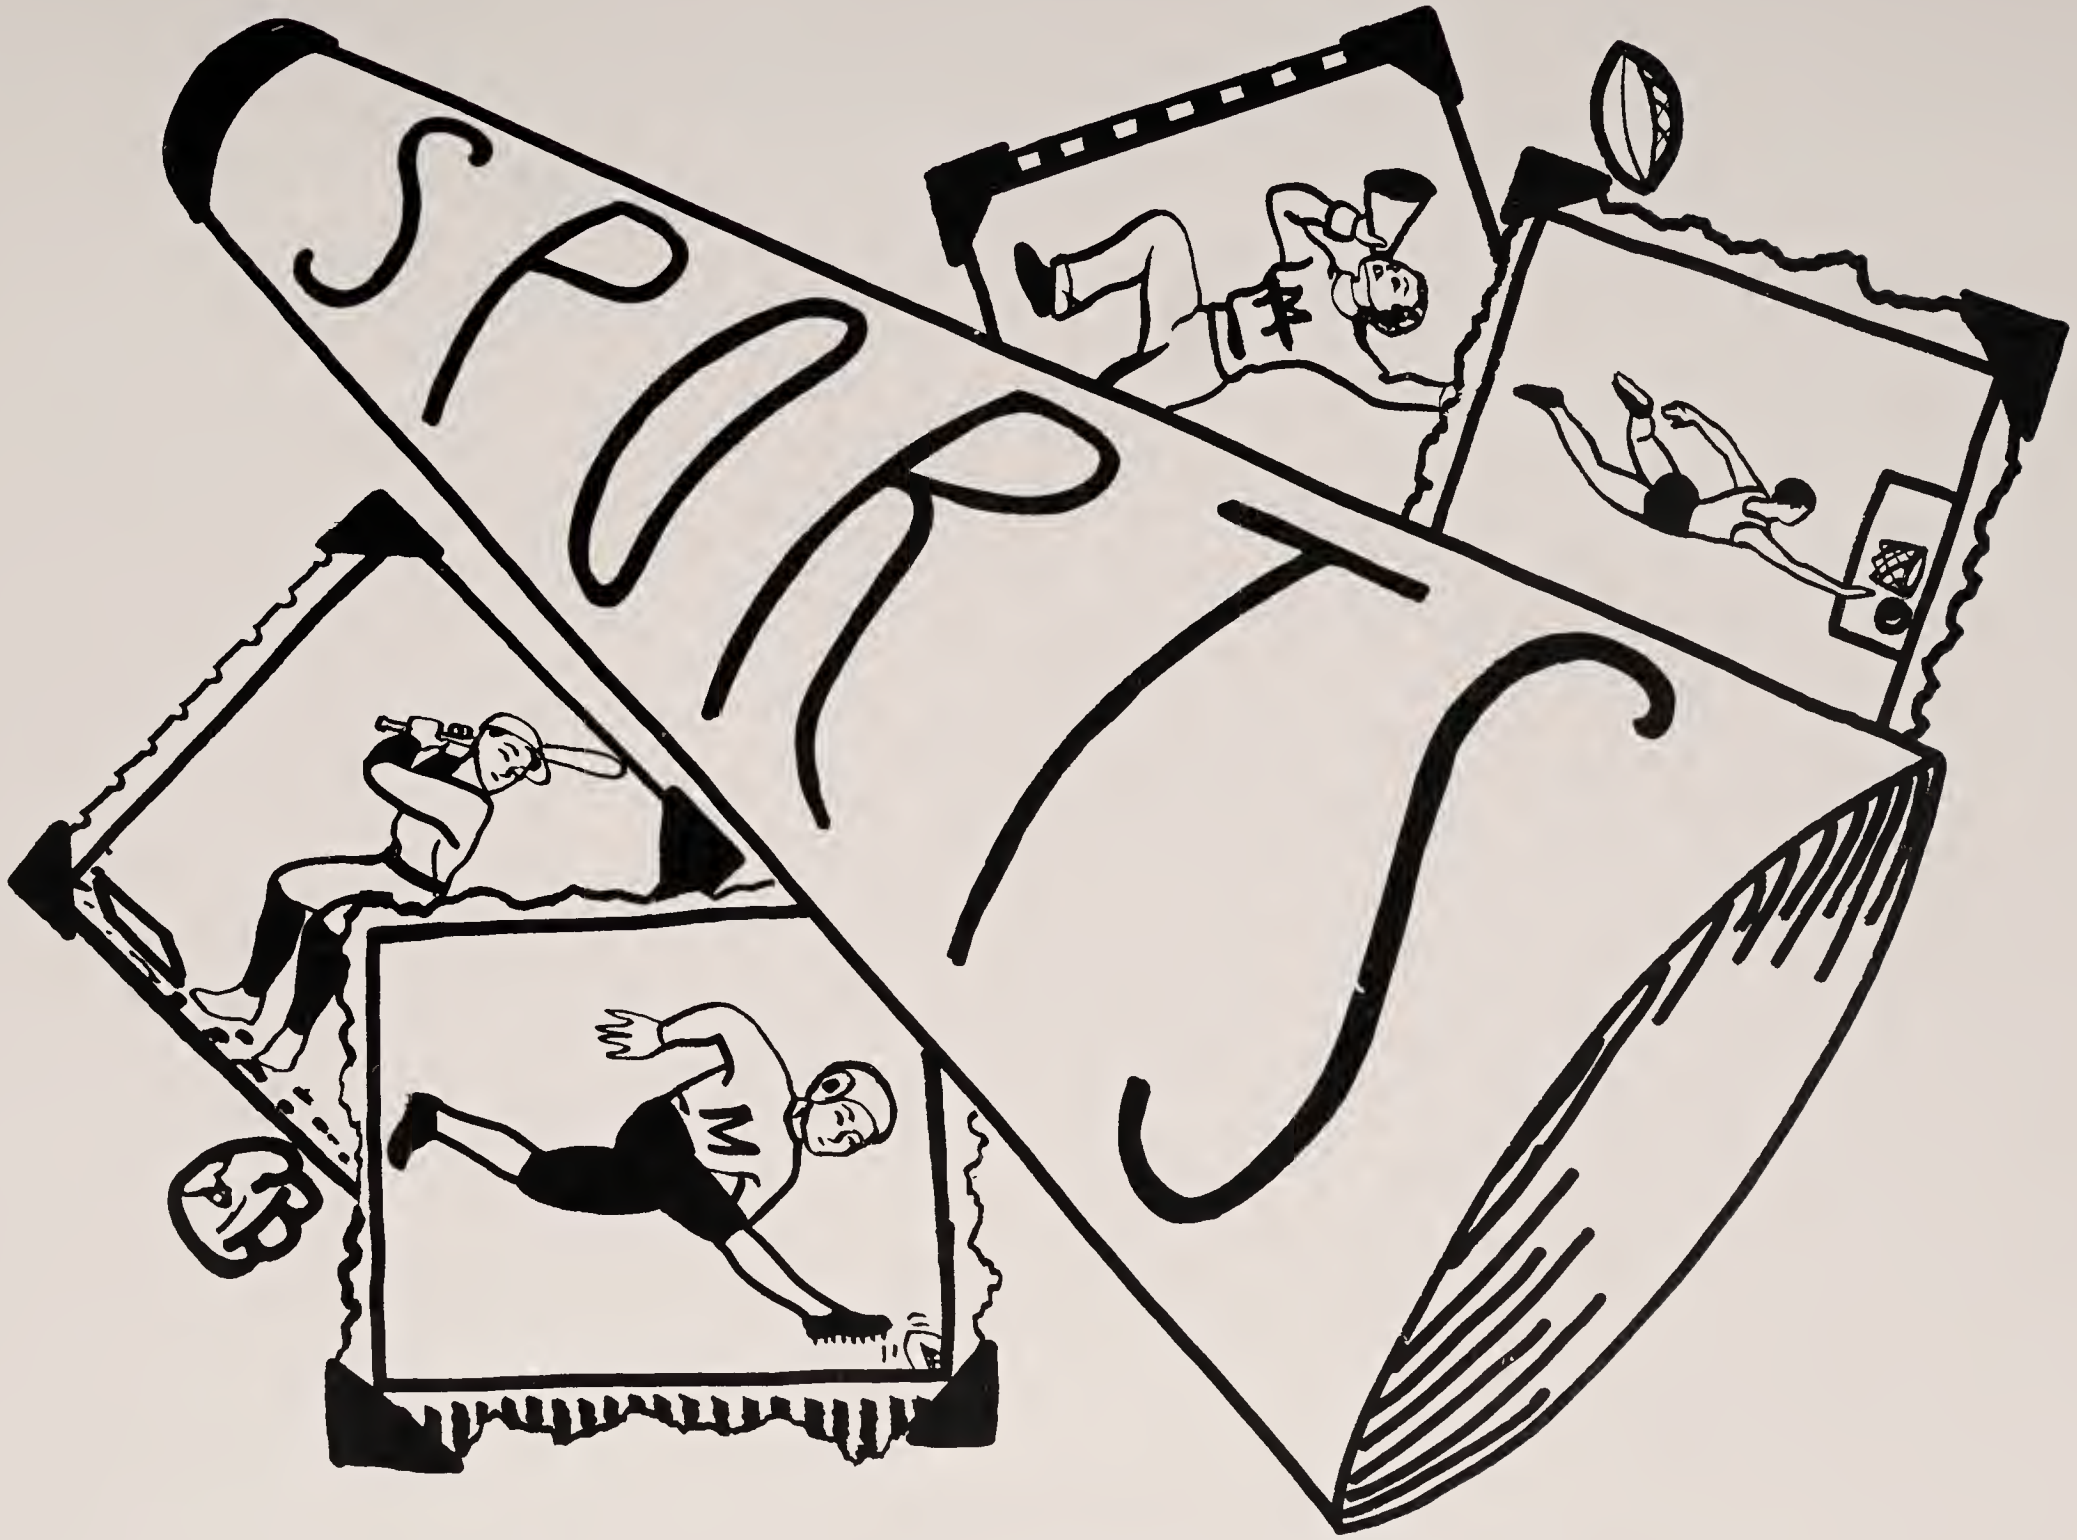
Action Review



SPORTS

Champs

Last August the football team began their daily practices under the watchful eyes of Coaches Dailey, Chaffee, and Salisbury. Led by co-captains, Dye and Rogers, the Bees opened the 1952 season by trouncing Kent Roosevelt 24-0. After losing a heartbreaker to Oberlin the boys went on to complete the remaining games on the schedule undefeated. By downing Wellington 12-0 in the final league game of the season the Medina Bees won the championship of the Southwestern Conference.

Larry Eats His Words

Members of Medina's champion football team watch Larry Newberry "eat" his words. In the Gazette Mr. Newberry predicted a victory for Wadsworth in the annual Medina-Wadsworth clash. An assembly was held in the auditorium so that the student body could have the privilege of observing him make a full retraction.

Although 1952 was not one of the most successful seasons for the varsity basketball team, the boys did manage to chalk up seven victories while dropping eight. Jim Venus was the high scorer for the squad racking up a total of 195 points. Following Venus were George Fields with 173, Bill Dye with 108, Jim Wolfe with 105, and Charles Dennis with 97.

The Medina Reserves completed one of their most successful seasons in recent years as they captured ten victories while losing only five. Ron Duke led the Junior Team in scoring with a total of 143 points.
